Re: Jane Gibson

105-1311 DT/Gibson

Received information that Mrs. Van Dyke Higgins and her daughter Mrs. William Walter Gibson had some information concerning a murder at Lawrenceville, N.J. in which Jane Gibson had taken an active part.

Mrs. William W. Gibson said she knew nothing about the matter, but said her mother had some information.

Mrs. Higgins informed me that while in Trenton lately she had talked with Detective William Mullins of the Trenton Police Department and he had said that Mrs. Gibson while in Trenton had been active in the Levella Marshall case and had also been mixed up in a badger game.

Respectfully submitted:

D.T.

P.S.

Mullins address is either 1034, 1036 or 1038 Park Avenue,
Trenton, N.J.
